War museum

17 Jul 2019

Whatever you think about museums, this is more than just any museum. It tries to tell you about the loss of life during the vietnam war, yes it might be slightly biased, but it's certainly worth a visit

Awesome, more than I expected

A must see destination. Go even if you're claustrophobic, you don't need to go in a tunnel, you'll see the entrance of them. There is plenty

**Address: 196/15 De Tham, Cau Ong Lanh,
Dist 1, HCMC**

to do and see. The Cu Chi tunnels you go in have been enlarged for western people, but are still small. The original ones are visible but you can't go in them, you'd have to crawl on your stomach if you were allowed. It's very hot and humid here, take lots of water to drink. There is a cafe but ores next to the firing range, very noisy.

**Great hands on experience and not dirty at all**

Heard a lot about the maze of tunnels but only the first time to witness it. It was amazing and ingenious ! Got to try to go down and experience it! Must pay attention to the rubber slippers that were purposefully made reversed ! Worth seeing Cu chi tunnels

**Remarkable and confronting at the same time**

An amazing place to visit. Cu Chi Tunnels is well presented and managed, giving an insight into the harsh reality of the Vietnam war. Well worth a visit.

**Great trip I've ever taken**
