Fist stop was at a hand craft shop for the people affected by agent orange. Beautiful designs and excellent quality. Then off to the tunnels which was very informative. The Veit Cong certainly had a hard time. Masters at adapting and surviving The Mekong Delta is a gem. got to listen to traditional southern veitnam music. ride some boats.

What an awesome experience! We had the best time. Starting at the Cu Chi tunnels, the guide was always on time taking us to the most important areas and teaching us about the history. The boat ride was pretty good as we were able to see a local village and part of the mekong delta. The driver was very good and the bus is very comfortable and luxurious. They have water and snacks available for you at all times. Highly recommended
