We had a truly lovely and fun time thanks to our amusing (great sense of humor!) and very organised tour guide Ms. Anh. I would definitely recommend this trip to anyone who wants to explore Vietnam and Cambodia via water.

19 Jan 2019

the tour was organized through an agency in Saigon under the guidance of Jan and he do excellent job. We have seen a lot of sights from historical, habits vietnames people, their work on Mekong delta. All organized without any delays accommodation appropriate to the customer individual. Jan explained this history, describing people and their work and answering many questions. The summary is surprisingly excellent. JAN thank you.

What an incredible 3 days. For the cost, you really get your moneys worth over the 3 days. He guide Joseph (I think his real name was suong) made the trip. He was friendly, funny and very knowledgeable. A really beautiful part of the world to see, and certainly would not have seen and done as many things if we attempted it on our own. Personal highlight was the canoeing through the mangrove forest near Chu Doc - it was absolutely breathtaking! Overnight accommodation was basic, but we had no trouble sleeping after a full day from 6-6 of activities.
