Floating market, kayaking and biking

01 Apr 2019

The floating market does not have many sellers. The people actually live and work on the boat. Kayaking and biking were good experiences. The lunch was good. We didn't get to go to the fruit plantations, but we can see the fruits trees when we biked through the village.

Must-do tour

24 Mar 2019

Friendly and approachable tour guide who show the unique side of Ho Chi Minh City and able to share more of the tour. However, the floating market is rather small and very touristy. But it was a commendable effort and good sights to the local lifestyle. Thumbs up and recommended.

Very good day trip, experience local water life, trade, and visit farm snacks, there is only one place to be a tip, other places are free, it is fun to make meals.

Experience, HIGH RECOMMEND!

The day trip is very fulfilling, the team leader is very caring and always takes care of every visitor. I want to know the local life in Vietnam, including the floating market, coconut sugar making, rice making, riding ankle, and canoe.
