A 10 for our guide

05 Dec 2018

The activity is quite complete and very comfortable because it is a very small group. Personally, I have to indicate that I have a phobia of snakes and I mentioned it to the guide from the moment he said that we would see some python, so he always tried to take me away and he was worried that he was fine.

Trip to mekong

Great but exhausting whole trip to Mekong delta included unicorn island. Really enjoyable overall lunch was beautiful it was just really really hot. This isn't suitable for people even slight mobility issues.

**Great trip to the Mekong**

05 Nov 2018

We took 3-day tours. Both guide and driver were on time and the trip was well organized. Our guide was Ahn who has a great personality and is actually from the Mekong. Thanks to all involved we had an action packed couple of days. Very enjoyable.

**amazing tour to get a feeling of the mekong delta**

25 Jul 2018

The tour was great to see various aspects of this part of the country and as it was a rather small group also not a hassle or uncomfortable in any way. There was a lot to see with interesting information from the guide and interactions with locals on one stop or the other. Best part was definitely the small boat tour through the narrow canals and the honey tea on one of the small islands.

It is a lovely experience, you get to have a trip on a boat, visit a candy factory (and those candies are great!), try snake wine. A must do!
